

## **General Physics Corporation Wins 2009 Lilly Global Supplier Award**

**Elkridge, MD. April 30, 2009** - Global performance improvement solutions provider General Physics Corporation (GP), a subsidiary of GP Strategies Corporation (NYSE: GPX), announced today that it won the 2009 Lilly Global Supplier Award. This award recognizes Eli Lilly and Company suppliers that had a measurable impact on Lilly corporate priorities through the delivery of exemplary quality, service, speed and total cost reduction. The award recognizes about a dozen out of more than 10,000 eligible suppliers. GP is proud of the long-standing training business process outsourcing (TBPO) relationship it has with Eli Lilly and Company.

“The goal of GP’s training outsourcing practice is to implement systems and processes that directly enable our customer’s business strategies. GP’s training business processes are designed to increase flexibility, improve quality and reduce cost. The combination of these measurable results and GP’s expertise in facilitating learning across global corporations have made GP a leading provider of TBPO services for Fortune 500 companies,” says Doug Sharp, President of GP.

### **About GP**
